

Do you know which of your dollars are actually reaching students?

Evress turns your data into one honest picture.

Program ROI · SY 2025–26	
PROGRAM	ROI
Reading intervention	STRONG
Core curriculum	GOOD
Professional development	MODERATE
Ed-tech licenses	LOW
Supplemental tutoring	LOW

Needs a closer look...

62%

In one district, that closer look found 62% of examined program spending wasn't fully reaching students.

*"In lean times, balancing the budget isn't enough.
Every dollar has to work harder."*

- New Mexico Superintendent

Find out what your district's number is.

A short look at where your dollars are working hardest and where they're not.

Not money to cut.

Money to redirect toward what's working for kids.
